Oxford County United Parish

Including Albany, North Lovell, South
ham and the Waterfalls. Pastoral
Staff: Revs. W. I. Bull, B. F.
Wentworth, A. C. Townsend

A very successful Boys' and Girls' Conference was held at Waterford (Commonwealth House, Saturday, March 24th, and the direction of the conference was by Mr. Wentworth. About forty boys and girls from all parts of the parish, representing nine "Four-H's" (Clubs were present. There were also sixty boys and girls enrolled in the club. Four clubs of boys and five of girls. The clubs have been organized by Mr. Wentworth under the direction of the Fair Board.

The forenoon address to the boys and girls was given by Edward H. Brown, teacher of agriculture in the Newburgh High School. Mr. Brown spoke on the subject "Why Am I in Four-H Club Work?" "My Hints to Larger Society." The first H. With Mr. Brown was Master Robert Hosmer of Norway, who is to represent Oxford County at the national conference of Four-H Clubs at Washington, D. C. Last year he represented the County at the New England meeting at Springfield, Mass. Robert spoke to the Conference about the meeting of last year at Springfield.

Officers were elected for an organization of all the clubs within the parish. Christine Gardiner of Waterford was elected president, Duncald Andrews of North Lovell, vice president, and Mary H. Scott of North Waterford, secretary. After a picnic dinner, the boys and girls were addressed by Rev. H. H. Culler of South Paris, who spoke on "Our Land and Third H's," "My Head to Clearer Thinking," "My Heart to Greater Loyalty."

The rest of the afternoon was spent in playing games, thus giving expression to the fourth H, "My Health to Better Living."

It was a great day for the boys and girls. The next collection of the Clubs will be held at East Stoneham, probably during next week.

St. Patrick's Party—Mothers' Day observed—Lakeside Grange Meeting.

Mrs. Elizabeth P. Pitts and Mildred Hilly entertained the Ladies' Whist Club at the home of Mrs. Pitts on Friday evening. Mrs. Pitts' party with the whist club and larks was enjoyed by the guests present. The house was decorated with green and daisy flowers on each side of the entrance. Refreshments were served by the hostesses. Prizes were awarded to Mrs. Lida Harmon Carley, who was highest, and the consolation was given to Mrs. Gladys Smith, who was second. Last week the Club met at Mrs. Frank Nevers instead of Mrs. Norman Ward and a fine evening was enjoyed with delicious refreshments. Mrs. Nevers won the first prize, while Mrs. Mary Ward held the consolation. The village schools closed on Friday for the week recess. Miss Boothby of the primary school is spending her vacation in Portland. On the last day of the school, the children of the primary school were given a party by Miss Boothby and a pleasant afternoon was enjoyed by a large number of visitors.

Sunday School Lesson

(By Rev. P. B. Fittzwater, D.D., Dean Moody Bible Institute of Chicago, (C. 1922, Western Newspaper Union.)

Lesson for April 8

THE RESURRECTION OF JESUS CHRIST (EASTER LESSON)

LESSON TEXT—Mark 16:1-20.
GOLDEN TEXT—Because I live ye shall live also.
PRIMARY TOPIC—Jesus Comes to Life Again.
JUNIOR TOPIC—Christ Rises from the Grave.
INTERMEDIATE AND SENIOR TOPIC—Jesus, Our Living Lord.
YOUNG PEOPLE AND ADULT TOPIC—The Power of the Resurrection.

1. The Ministry of Love (vv. 1-4).
1. By whom (v. 1). Mary Magdalene, the mother of James and Salome. They brought sweet spices with which to anoint him.

2. When? (v. 2). Early in the morning of the first day of the week.
3. Their perplexity (vv. 3, 4). They questioned as to who should roll away the large stone from the mouth of the tomb. To their surprise they found the stone removed.

4. The Angel in the Tomb (vv. 5-8). Jesus knew that these women would come to the sepulcher with perplexed and unbelieving hearts so he had an angel waiting to announce to them the fact of his resurrection. Note the angel's message:

1. "Be not afraid" (v. 6).
2. "Ye seek Jesus of Nazareth who was crucified" (v. 6). This threefold designation with marvelous clearness shows (1) His humanity—Jesus, (2) Lowly residence—Nazareth, (3) Ignominious death—crucified.

3. "He is risen; He is not here. Behold the place where they laid him" (v. 6). These words throw light upon His birth, humility and shameful death. He who was born in lowly circumstances and suffered the shameful death on the cross, is now the conqueror of death. His resurrection gives meaning to His death. "If Christ be not risen your faith is vain, ye are yet in your sins" (1 Cor. 15:17).

4. "Go your way, tell His disciples and Peter" (v. 7). As soon as it was known that Christ was risen from the dead they were to tell it to the disciples. The disciples all needed this blessed news, but Peter especially, since he had utterly denied Him.

5. "He goeth before you into Galilee, there shall ye see Him" (v. 7). Christ had told the disciples that He would rise from the dead and meet them in Galilee, but their unbelief kept them from this blessed truth.

III. The Appearance of the Risen Christ (vv. 9-14).
These appearances had as their object the restoration of the disciples from their awful failure and discouragement and convincing them without a peradventure of a doubt of Christ's resurrection. Since His resurrection was to be the central theme of apostolic preaching, it was necessary that they have a certainty of knowledge as to this matter (Acts 1:3). Without the resurrection of Christ His death would be meaningless. Out of the tomb or more appearances, Mark selects three.

1. To Mary Magdalene (v. 9-11). Mary's heart responded to the Savior who had graciously delivered her from demons. Her sufferings were no doubt terrible. She was first at the tomb, her devotion was amply rewarded by being first to meet the risen Lord. Though her faith was weak she went at once and told the story to the disciples.

2. To two disciples on the way to Emmaus (vv. 12, 13). Luke gives full particulars concerning this appearance (Luke 24:13-25). Jesus had walked, talked and eaten with them.

3. The eleven disciples (v. 14). Christ appeared to them while sitting at meat and bread and they for their unbelief. The fact that they steadfastly resisted the testimony that Christ had risen, and yet afterward were willing to risk their lives in the proclamation of this truth proves the genuineness of their faith.

IV. The Commission of the Risen Lord (vv. 15-19).
After the disciples were convinced of the truth of His resurrection, Christ sent them forth to "preach the gospel to every creature." What a glorious and supreme task! What a blessed issue to those who believe and how awful to them that do not. "He that believeth and is baptized shall be saved, but he that believeth not shall be damned" (v. 16).

V. The Activity of the Enthroned Christ (v. 19).
After giving the disciples their commission He ascended on high and from the unseen sphere directed their activities. Wherever they went He confirmed their word. He does the same for His disciples today.

Our Thoughts
We should manage our thoughts as shepherds their flowers in making a garden; first, select the choicest, and then dispose them in the most proper places, that every one may reflect a part of its color and brightness on the next—Samuel Taylor Coleridge.

The Presence of God
Man is more blessed or less blessed in the same measure as he is aware of the presence of God.—John Tauler.

SPEAKERS AT ORONO
Three Oxford county people are listed as speakers at the 22nd annual farm and home week to be held at the college of Agriculture, Orono, beginning Tuesday, March 27. They are Mrs. Marcia Binford of Exbury, Miss Edith Braden of South Waterford, and Leslie E. McIntire of East Waterford.

Mrs. Binford is to be one of six women who are to discuss the subject, "What homemakers think of home-making." Miss Braden, the Oxford county home demonstration agent, is to assist. Miss Edith, the Franklin county home demonstration agent, is giving a demonstration of making 15 dishes from three recipes. Mr. McIntire is to give a talk on Wednesday, March 28, the subject, "A brighter outlook for dairying in New England."

LESSON No. 15
Question: Why is emulsified cod-liver oil so important as an addition with milk in the diet of children?
Answer: Because when it is mixed with milk it makes milk a more efficient rickets-preventing food and builder of strong bones. Children like it best in the form of SCOTT'S EMULSION

Mrs. Merrill Conducting Dancing Class—David M. Forbes Returned Home—Pinaud Proved Profitable—Men Serve Supper.

Mrs. Carrie Merrill is conducting a dancing class for children, on Saturday afternoon.

Harry H. Brown had charge of Clara's barber shop, March 25.

David M. Forbes, who disappeared so suddenly, Feb. 8, has returned and is in the court of law at Bethel. He has been ill and is under the care of a physician.

Work is progressing rapidly on the bridge, the riveters are getting on well. Mrs. Gertrude Merrill recently visited her sister, Mrs. John Wilson, and brother, returning Sunday evening. Her daughter, Mrs. Herman Joy, kept house for her absence.

The play "The Wrong Mr. Wright" given by the Parent-Teachers Association had a capacity house, both nights it was given, receipts aggregating two hundred dollars.

The supper and entertainment given by the men of the Congregational Church, Wednesday, March 21, was pronounced a great success, socially and financially.

Work has begun on the J. E. H. Hall, property recently bought by W. N. H. Hall, to make stores and other changes.

Funeral services for Henry M. Osgood were held at Greenleaf's Undertaking Rooms, Saturday, March 24, at 10 o'clock.

Osgood had been in poor health for some time, but did not realize it as he was always an industrious man. He leaves his immediate family, his wife, his mother, and his brothers. The body was placed in the tomb, awaiting burial.

The village outside seem to be in favor of the crows, as last Friday a flock of about two hundred congregated near the dump near Alder River bridge. Schools closed the 23rd for a two weeks vacation.

There was a thunder shower of short duration, March 24. An old saying is that a frost can be looked for on that date in September; do not know the origin of the saying.

Mrs. Cassie Simpson is with her uncle, T. B. Burke, and family, and other relatives.

MILTON
Mrs. Mary Farnum and daughter, Cassie Tothaker, were in Locke's Mills one day last week. Mrs. Farnum was also in South Paris one day last week, on business.

Top-Working to McIntosh

By Wilson M. Morse, Waterford

It is part of the Farm Bureau program of work for the coming season to get many apple trees of the poorer varieties grafted over into some of the more profitable kinds. This, I think, should consist of many varieties of grafting to get the best of all.

One has trees of varieties which do not pay in apples, but have good sound trunks and limbs, and if he is interested enough in apples to get them decent care, he seems only just to get a chance or four years after grafting to commence getting paying crops.

Some will say that they think it better to blow out the old trees and start all new trees as late as possible, but this requires at least much longer than this to get crops of much size. Also the expense of top-work is much less than resetting.

One common mistake in grafting is to get the scions too high from the ground. First grow the scions and are pretty sure to follow is not to set scions higher from the ground than a man can reach.

To decide to what variety to graft. Much is said about the "New England Seven." These are all good apples. But in this part of Maine I think we should head the list with McIntosh and forget the others until we have all of them. We can pick McIntosh would be no higher than the price of the other good varieties, it other good qualities to still make it the most promising.

First, among these, it is one of the best apples grown.

Second, and very important to us, it grows its best here. Vermont and New Hampshire can grow as good McIntosh as we do but in other sections they do not get the color and size 'finish' we do here.

Third, the tree itself, everything considered, is the most desirable of any of the leading varieties. It is hardy, does not win in this respect. The lateral limbs grow to it strongly so that it has a strong frame work. It does not have the weak Fourth, due to its almost annual bearing, it is not nearly, if not quite, as cheap as any variety.

Fifth, McIntosh trees do well on land that are a good apple tree will grow on, in fact, do well on land usually considered too wet for apples.

It seems to me that when we have found a leading product in so important a use as apples which we can grow to its very perfection, that we are missing our opportunity to make a good living from our farms if we do not have a McIntosh orchard in nearly every farm in this section of Maine. I believe that this part of the McIntosh apples as famous for potatoes. We should raise train loads of them instead of a few carloads. Some say this would be over-production. Perhaps so in some places, but not over-production here where we can produce the best. There is always room at the top. Top-work to McIntosh!

Rejoice Because Stubborn

Cough Disappeared
Suddenly

If you, too, have a cough that hangs
on and on; gives you nights of rest-
lessness and days of torment you can get rid
of it easily.

A real cough medicine, a standard of
physicians, that acts in two ways at the
same time will stop it or money refunded.
It is called Adamson's Balsam.

Ingredients known to science as the best
will act at once. They stop inflammation,
break up the irritating phlegm, relax
sore throat muscles, and of course your
cough has to stop. Other curative el-
ements go into the system and attack the
germs in the infected membrane and in
a day or two your cough and danger of
weakness or serious trouble are gone.

Adamson's Balsam, for this reason, is
recommended for the worst kind of stub-
born coughs and for these it rarely fails.
You should not cough another day. So
why not try it? Will not upset the
stomach and contains no dangerous drugs,
dope or chloroform. Wonderful for
children. You can say good-bye cough
if you'll get Adamson's Balsam now.
Any good druggist has it. Two sizes,
35c and 75c.

**COLORS
radiant as the
Rainbow**

Spring beckons! And Buick owners will greet
the season in cars which take first place in rich,
alluring beauty.

Glowing colors—colors that rival the exquisite
hues of the rainbow—colors as distinctive as
the fleet, low lines of Buick bodies by Fisher.

Not only in beauty, but in performance, too,
Buick leads the way. Its famous Valve-in-Head
six-cylinder engine provides the thrilling abili-
ties so highly desired on tempting Spring days.

Visit the Buick showroom and see the most
colorful cars Buick has ever produced. Their
beauty will captivate you—and a demonstration
will make Buick your choice!

SEDANS \$1195 to \$1995 COUPES \$1195 to \$1850 SPORT MODELS \$4195 to \$1521

All prices f.o.b. Flint, Mich., government tax to be added. The G. M. A. C. finance plan, the most desirable, is available.
